Authentic Yoga-Teacher Training - Application

Welcome to your 1st step in becoming an authentic Yoga-teacher, namely filling the application form. Your training is part of the teachers-only movement “End misappropriation of Yoga-Science!” You are part of the change that has to take place. Through this, you not only become a role model for others by living life to your highest possibility, but also leave a legacy of pure Yoga-Shaastram for future generations through your teaching.

Yoga-for-Happiness Academy was founded in 2004 with the sole mission of preserving and passing on Yoga-Shaastram in its authentic, pristine and purest form to eager seekers such as you and to promote to others the movement “Lasting Happiness through Yoga-Science”.

While most typical Yoga-teacher programs cover only one or two branches of the tree of Yoga-Science, this one is completely authentic, covering the entire tree of Yoga-Science in detail.

Your participation furthers the work of the Academy in preserving the teachings of the ancient science and wisdom for the future generation. It helps all of us to work for the betterment of the humanity and the world, and to contribute towards the liberation of all.

We thank you for your participation and support.
