

Sanskrtam Learning Project

BONUS 4 – ACCOUNTABILITY PACKAGE

Questions to Verify Your Grasp of Lesson 6

NOTE: Proceed to Lesson 7 ONLY after you are able to answer these questions by yourself.

These assignment questions provide you accountability to ensure that you are not simply going from lesson to lesson.

1. How does learning another language help in having deeper connection with certain people?

2. How does learning another language help in boosting brain power?

3. How does learning another language build more confidence in you?

Sanskrtam Learning Project

4. How does learning another language increase humility?

5. How does learning another language make us a better human being?

6. Do you know more than one language? If so, how do you think it has helped you?
